

IACS Choir Newsletter

January 2020

HAPPY NEW YEAR! I hope you all enjoyed a restful winter break with your family and friends! We are now entering the 3rd quarter, which starts our preparation for festival season--high schoolers will attend their festival in March, while middle school festival takes place in late April and early May. We also send many students off in the next month to take place in honor choirs that they have been accepted to. It's an exciting time of year in the choir department.

Extra Help for Honor Choir Students

Mrs. Branigan will be available after school until 4:30 on Tuesday and Thursday for the next 3 weeks (Jan. 7, 9, 14, 16, 21, and 23) to help students with their music. She will also let students know when she will be available during lunch/advisory times.

Students who are involved in these choirs should use the practice tracks they received along with Mrs. B's help to make sure they are prepared for the experience. Students who are not prepared will not be allowed to participate.

Please contact me with any questions,
Mrs. Branigan
