September 2019

Hello choir students and parents! We've had a great start in choir this school year and we are looking forward to the start of the concert season! Please read over this newsletter for details regarding your student's participation in choir.

There is an exciting opportunity available this year for all choir students in **grades 7-12**--they can audition to be a part of the Idaho Music Educators' Association All-State Choirs! Students can record an audition and submit it along with a \$10 audition fee. If chosen they will rehearse with a renowned conductor and the top singers from across the state during the IMEA Conference at the end of January. This opportunity is completely **OPTIONAL**, but is a great experience for students. Interested students should speak to Mrs. Branigan and record their audition by the by then end of September.

Performance Attire

Students should plan to wear the attire listed below for their concerts this year. If you have any trouble securing concert attire for your student, please contact Mrs. Branigan ASAP so she can help you.
